Moderne Alpenküche

WELCOME

For us, good cuisine doesn't start at the stove—it starts with the people and the products of our region.

Behind every good ingredient are producers who know their craft and work with passion. Together, we serve a taste of home—fresh, authentic and with respect for the product. The basis of our cuisine is provided by selected regional partners with whom we work closely and enjoy a relationship of trust. They supply us with the finest ingredients and share our commitment to quality and care.

In our kitchen, we prepare handmade dishes—with time, experience and attention to detail.

OUR PARTNERS:

We wish you a delightful stay in our restaurant and hope that you can taste the care, the good ingredients and our joy of cooking in every dish.
